Intelligence Community Forum (ICF)

Intelligence Support for Decision-Makers

18-20 June 2019

Mercyhurst University, Erie, PA

Brécourt Academic and Mercyhurst University's Ridge College of Intelligence Studies and Applied Sciences, in association with *Global War Studies*, are pleased to announce the first annual Intelligence Community Forum (ICF). An international conference, ICF 2019 will bring together intelligence community professionals from a wide array of disciplines, including academia, government, business, and students. Paper proposals dealing with one or more of the following topics are welcome, and while "Intelligence Support for Decision-Makers" is the general focus, papers and panels covering other related topics or taking thematic approaches are equally encouraged.

National Intelligence / Business Intelligence / Cyberwarfare / Cyber Security
Military Intelligence / Naval/Maritime Intelligence / Indicators and Warnings
Intelligence and Alliance Politics / Inter-Agency Cooperation / Science & Technology
Multi-National Intelligence Sharing / Intelligence and Security Studies
History of Intelligence / Intelligence and Diplomacy / Industrial Mobilization
Intelligence Methods and Data Analysis / Intelligence and Assymetric Warfare
Problems of Intelligence Analysis in Early Post-War Planning
Intelligence and Peacekeeping/Peacemaking / NGOs

Paper proposals must be submitted by **15 February 2019** and must include a brief (200 words or less) one-paragraph abstract and a one-page curriculum vitae. Panel proposals are welcome and should include a brief description of the panel's theme.

Additional conference details and registration information will be available soon at:
